If static is noise, then "Frisco" must
be all static.

WHO IS HE?

Who is this comrad Hosie,
Of whom we hear so much;
Is he youth, fair and rosey,
Or an old buck on a crutch?
Does he know the smell of powder,
Did he ever fight on foreign soil,
Is he fond of army chowder,
And did he ever brake for Tom
O'Boyle?
